## PERSONAL MENTION.

W. B. Morton returned to Wailuku last Saturday morning after an absence of about two years. After leaving Wailuku Mr. Morton was for some months on the Honokohau Ditch and left there last spring to go to California for the benefit of his health. He is looking much better than when he was here in Wailuku.

W. Lougher was in Wailuku New Years Eve.

Miss Lilly Murray arrived on the last Claudine from Honolulu. She is visiting in Puunene.

Father Stark came up on the last Claudine from Honolulu and is staying in Wailuku. His sermons are much appreciated by those who have heard him.

A. J. Cass returned from the coast last week and is closing up his interests on the island preparatory to returning to Seattle where he has considerable interests and where he expects to make his future home. He says Seattle is booming and they expect to make it the largest city on the coast.

## First Run to Salina Cruz.

The great steam freighter, Arizona, will probably leave Kahului tomorrow, Sunday for the first run on the new route with sugar to Salina Cruz where it will be shipped by rail on the Tehuantepec Railroad across Mexico and will then be reshipped to Delaware Breakwater.

This will be a great saving in time as the route around the horn is a long and stormy one.

The Arizona carries more sugar at one load than is yielded by the average plantation in a year and can by the new route, get the same quickly to the markets.

When the docks are completed at Kahului the loading of the steamer will be done much more quickly than at present and at a much lower cost.

## Notes from Paia.

Christmas festivities were celebrated at Alexander House on the afternoon, and evening, of Saturday Dec. 22nd. Christmas eve appropriate exercises were held at the Chinese Church, over one hundred people being present.

The following evening the Japanese connected with Rev. G. Tanaka's Church welcomed Santa Claus at the same church, with an audience of two hundred.

A pleasant evening was passed with Santa Claus at the Chinese Church at Paia Wednesday evening, and he continued his visit to Makawao where on Friday evening he distributes his Christmas cheer, and remembrances, to the Chinese at the Mission School.

## Death of M. J. Keelen.

M. J. Keelen died at his home in Waikapu at one o'clock P. M. January 3rd after a short illness.

He was a boiler maker by trade and worked in such capacity up to the time of his death. He was of a quiet disposition and was strictly temperate in his habits and had the respect and good will of all who knew him. He was born in New Orleans in 1856 and when quite young went to work for the Risdon Iron Works of San Francisco with which company he remained twenty-two years. When the Makaweli plantation was started he had charge of the laying of the Hanapepe pipe lines for that plantation. After that work was completed he worked for Claus Spreckels on the H. C. & S. Co's plantation. He recently completed a pipe line near Hanalei Kauai for the electric Company there.

He leaves a wife and five children four of whom were by a former marriage.

## Salaries of some Teachers Adjusted.

The Board of Education met in Honolulu Dec. 31, and transacted a large amount of business. There were present at the meeting Superintendent Babbitt, Commissioners Mrs. J. M. Dowsett, W. R. Farrington, Frank Dodge and David Ai, and Normal inspectors King and Baldwin.

On account of the accident to Normal Inspector Wells, who fell over a fall on Maui some time ago, it was necessary for the Board yesterday to appoint someone to fill his place temporarily until he recovers sufficiently from his injuries to resume his position. J. C. Davis was appointed to fill the place. Mr. Davis was at one time an inspector, and later was Superintendent of Public Instruction and afterwards resigned.

Mrs. Tamar Hussey, who has taught for 23 years, holding a third class certificate, was granted an honorary life certificate. Miss Alice West, holder of a second class certificate, and who has taught for 27 years, was also granted a similar certificate.

Life certificates were granted to Cyril O. Smith, who has taught for 17 years, eleven of which have been under a first class certificate; and to Thomas Aiu of Kailua, who has taught 18 years.

J. D. McVeigh, superintendent at the Leper Settlement, Molokai, was appointed school agent for the Settlement. This was done owing to the fact that the other school agent on Molokai has his headquarters on another part of the island and is not able to go to Kalaupapa as frequently as he should. McVeigh's salary was placed at \$1 a month.

Salaries of several teachers were adjusted on account of increased work. Those dealt with were the following:

Mrs. Rose Aiau, Wailua; Miss Kalei Ewaliko, Kaiwika; Mrs. Chas. King, Olaa 12-Miles; Miss Quinn, Pahala; Robert Kihoi, Waimea; Eugene Capellas, Hakalau; Manuel De Corte, Keauhou; Mrs. Omsted, Waimea; Miss Kaipu, Koolau; Miss Lima, Kailua.

Several changes have recently occurred in the Hamakua district of Hawaii, it being necessary to fill a number of places at once. Normal Inspector King was authorized to make the changes on his trip to Hawaii this week, the appointments being approved by the Board. Following are appointments:

Mrs. Jane Olney, Abualoa; Miss Elvira Osoria, Pepeekeo; Mrs. David Marsh, Papaikou; Miss Agnes Kama-kawiole, Paauhau; Miss Francis Greenfield, Honokaa; Mrs. Yanagihara, Koolau; Miss Gertrude Topham, Kilauea; Miss Lydia Macy, Pohakupuka.

The resignations of Miss Christian of the Hanamaulu school, Kauai, and that of Chas. G. Williams of Honokaa, were accepted. The former is to be married and the latter intends going to the mainland to study.

Miss Dunn was transferred from Koloa to Kilauea and Miss Aylett was transferred from Hanapepe to Koloa. Miss Ticer is to be transferred from Kilauea to Hanapepe, in case she desires to accept the appointment to the latter school.

George Maxwell is an applicant for the position of assistant Jailor.
